

SJVQ Board Minutes 9/21

Minutes from August motion to approve and seconded by Nancy Motion carries

Treasurer:

Susan went to the bank to update signature cards – Bank is tightening procedures. Susan has new forms for the bank – current signers can fax in the form. Signers that are being added will need to go to the bank to sign. Susan was supposed to bring the forms but she was unable to attend. There is also a form for our non-profit status needs to be updated. Discussion to postpone the discussion of Treasurer's bylaw change until she is here.

Still need to get bylaw changes written up for vote by members so that minor or procedural changes can be handled by the board instead of going to the membership.
